# ALPHABET SOUP

A FREE, SUPPORTIVE SPACE  
FOR LGBTQ+ PEOPLE

Navigating the world as an LGBTQ+ person is uniquely challenging. Often, the institutions around us feel as though they aren't made for us. Additional financial stressors, discrimination, or problems with family members add to already significant barriers for those whose sexualities don't fit neatly into a box made by others.

Alphabet Soup builds a community of like-minded, supportive people where you can share your experiences, learn ways to manage the unique challenges we face, and connect with others in the LGBTQ+ community.

**RETURNING JULY 16**  
**TUESDAYS, 4:30 - 5:30 PM FOR AGES 24+**
