- Due to the nature of the work involved and in the interest of safety during COVID-19, many of our shifts are not appropriate for younger children.

How to add youth 15 and younger to a shift:

The parent/guardian should sign up for a shift on their personal site, then email volunteers@lakeviewpantry.org stating the youth's name and what shift they would like to be added to. The Volunteer Team will then send you a confirmation email that the youth has been added to the shift.
